Ooh la la!

Famous cognac brand Rémy Martin has just launched Les Rendez-Vous Rémy Martin visitor packages at their estate in France. If you love your fine wines you'll love this as an alternative holiday. The packages are a bit different from the usual vineyard tour and can be personalised to however you want them. You could choose breakfast in the vineyard (very romantic) and tours of the cellars or attend a workshop where you actually get to blend your own cognac, followed by an extravagant dinner in Le Grollet - the family residence. www.visitesremymartin.com
